

JUNE 4-5, 2025 | LIVE, VIRTUAL 2-DAY BOOTCAMP

RURAL HEALTH CODING & BILLING BOOTCAMP

REGISTER TODAY

This bootcamp focuses on clinical documentation, coding, & billing for Rural Health Clinics (RHCs) and allows attendees who choose to use their webcam to have smooth and natural live Q&A sessions with the instructor!

This class is specifically designed for **clinical personnel (MD, DO, NP, PA, RN), coders, billers, EHR professionals, facility and financial managers** that work in RHCs and look-alikes to encourage building a shared foundation of knowledge. You will receive action items and how to “get results” by working together through hands-on practice.

TIMES

June 4: 9:00am - 4:00pm

June 5: 9:00am - 12:30pm

COST

FREE to
Illinois RHCs

CEUs

Approved for 11 CEUs
AAPC/ArchProCoding

CME CREDITS

Approved for 11 CME Credits
(MD, DO, NP, PA, RN)

WHY SHOULD YOU ATTEND?

- With the recent requirement by CMS to require RHCs to list all CPT and HCPCS-II codes – it has never been more important to make sure you are documenting and coding for 100% of what is done.
- Are you too dependent on IT instead of relying on well-trained and qualified staff? This event will focus on the guidelines that appear before and after key coding sections that rarely are accessible to providers and coders/billers in their EHRs and encoder software.
- Get hands-on with over a dozen vital resources (including the CMS Benefits and Claims manuals) that outline the unique approach rural and community health needs to be aware of to stay compliant!
